FLYING LONGHORNS LOWDOWN

There is never a dull moment here at the Flying Longhorns! I recently returned from a trip to Egypt with 18 adventurous Longhorns, and we had an absolutely fantastic time. The country felt very safe and welcoming. American tour groups are returning, and we were able to see all the famous sites with very few crowds. If Egypt is on your bucket list, consider joining us in February 2017 when we offer the "Legends of the Nile" program again.

Elsewhere around the world, Flying Longhorns spotted the Big Five in Tanzania, and learned to tango in South America. To see photos of other recent trips, check out our [Flying Longhorns Facebook page!](#) Search for "Flying

Longhorns" on Facebook, "like" the page, and follow our adventures. We post during each trip, so check in often and share the page with your friends!

We are hard at work selecting future trips and planning for our 2016 Travel Reunion and Showcase on Saturday, June 25th. We will officially announce our 2017 travel programs at that time; however, I can share a little insider information now! In addition to our classic destinations like Italy, Antarctica, and Cuba, we will also have a few more exotic offerings, including a small-ship cruise to Japan, a trip to India, and a Botswana safari program, just to name a few! We can't wait to tell you more about them.

As one of our valued travelers, we would like your opinion on whether or not you would have any interest in customized travel co-sponsored by the Flying Longhorns travel program. Please take a moment to **respond to our survey**.
